St. Mark's Episcopal Church is pleased to announce a Sunday afternoon worship service with Communion for kids and their families.

**Beginning on Sunday, September 11,** this service is meant for your child(ren) and you! The children's service will be a relaxed, laid back, and meaningful 35-45 minute period of worship and communion designed specifically for children 12 and under, along with their family and anyone young at heart. Come and sing fun and meaningful songs and take part in an interactive children's sermon.

St. Mark's is a place where kids can be kids, where we rejoice in who God made children to be. St. Mark's, which has offered Vacation Bible School to the East Longmeadow community for over eight years, knows how to

welcome and include children and their families. Laughter, movement, dance, questions, and shouts of joy are welcome at this service!

If you are looking for a place where you and your children can be part of a loving Christian community, where worship is meaningful and fun, where songs are understandable, then come to St. Mark's on **Sunday at 4:00 p.m.**
