Hello Beloved People of God,

A big thank you to everyone who was so welcoming to my husband, son, and mother-in-law this Sunday! It was quite lovely to put faces to names and begin to learn your stories. The reception was so generous - thank you to all who put that together and cleaned it up.

As I said in my announcement this Sunday, I'd love to meet with as many of you as I can in the next coming weeks. I want to know your stories and what you've been carrying lately. I particularly want to hear from you: what brings you joy? Where do you find energy these days?

The easiest way to find a time with me is to [follow this link](#) and click on a time that works for you! I can be flexible with meeting at my office, on the phone, Zoom or your favorite coffee shop. If you can't find a time that works for you in the next few weeks, just email me and I'll see what I can move around. Thank you to everyone who has reached out so far! It's been lovely to hear your stories.

Blessings,  
Mia+

---

What a blessing to be able to hang out around worship and sip coffee hour together once again!

Thank you to everyone who has stepped up to make coffee for one another this spring. Whether for a loved one in the morning or for your church community, making coffee for one another is a simple sign of love.

If you'd like to be a part of hosting coffee hour, there is a sign up sheet in the Great Hall on the easel by the kitchen.
